

WEEKLY NEWSLETTER

Mrs. Wagner's Owls

October 5-9

What are we learning?

Reading: features of non-fiction; rereading for clarity; ask and answer questions about key details.

Writing: writing informative texts

Math: strategies for adding, fluency in recalling math facts.

Science: the effects of pushes and pulls on motion.

Look for an email regarding sign-ups for conference day on October 23rd. If we already conferenced in September, we do not need to meet again!

Specials Schedule

Monday:

Computer Lab

Tuesday: Music

Wednesday: Art

Thursday: PE

Friday: Library

Spelling Focus: This week we are focusing on end-blends such as 'st' 'nd' 'nk' 'mp'

Learning Websites: A great website to help with spelling – spellingcity.com. You can click on the 'free' tab for activities. Students can type in their spelling words.
