

WEEKLY NEWSLETTER

Mrs. Wagner's Owls

September 28-October 2

What are we learning?

Reading: to read grade-level fiction and non-fiction texts fluently. To ask and answer questions; to make and confirm predictions.

Writing: how to write a friendly letter.

Math: strategies for addition including counting on and use of a number line.

Science: Forces & Motion and 'STEM' Fridays!

HOMEWORK don't forget to complete the daily reading log. A child who reads 15 minutes each night will have read about 6 whole days by the end of a school year!

Spelling Focus

This week our sound and spelling focus is the short 'u' sound. Look for the spelling list in the binder.

Websites Remember to use Reflex Math and Xtra Math to practice math facts and basic skills!

Please remember: to check and sign your child's binder each day!

Contact Info: Please keep us informed of updates.

Dates October 9: Teacher Workday

October 16: Early Release

10:50 October 19: 1st Quarter Ends

October 23rd: Conference Day
